Listos? Ready? **Vamonos!** Let's go!

Put on your high rubber boots and let's trudge through the jungle together. Sharon will play her drum, rainstick, and gourd as you walk over the swinging bamboo bridge with her.

Listos? Here we go past the banana trees and through the chocolate groves. **Vamonos** to the healer's house! Now you'll hear the stories he told her: "The Monkey's Heart," "The Blue Morpho Butterfly," "The Jaguar's Gift to Man." **Listos?**
